Old Business:

Scholarship/National EAA Academy Kathleen E. and her Committee (Audrey, Barb C. and Steve H.) reported they have selected the candidate which our Chapter will provide support. His name is Tyler Gully. The Committee felt quite confident they had selected the right person. Tyler and his parents will be invited to be our guests at our March Chapter Dinner Meeting. Irwin F. Program Chairman, will along with the Committee, present Tyler to those present. Tyler's winning essay is herein attached for all to read. It was decided to present the three runner up candidates with one of our Aviation Day T shirt and cap. It was suggested that a video be requested of National EAA of the activities at the Academy for showing at our March meeting so everyone will know what Tyler will be experiencing during his attendance there. The deadline for presenting a candidate to EAA National from our Chapter will be the end of March 2010. Also, re: Young Eagles program, our Chapter has received from National \$800 plus in credits for the kids flown this past year. A planned "dry run" for organizing the Young Eagle flights is scheduled for April 10, 2010 at the Quonset Hut. Young Eagle Flights are April 17, 2010.

Second Saturday Lunch: Lasagna

New Business:

Second Saturday Seminar. In regards to our Chapter's commitment to providing lunch for the Second Saturday Seminar, a letter has been received from Propheads a small Christian pilots and enthusiasts group who are offering to prepare breakfast for our Seminar. A small donation would be taken for the breakfast with the net proceeds going to our Chapter. It was a consensus of those present to give it a try. It was suggested the breakfast be offered at 9 AM with the Seminar starting at the regular time of 10 AM. There would not be a lunch served at the completion of the Seminar. Jim B. will contact Larry Burciaga of the Prophead group and work out the details including starting time. This will probably happen at April's SSSSEM. Stay tuned.

Our Chapter Dinner Meeting will be March 16, 2010, (third Tuesday) this month. Dinner will be a Saint Patrick's Day theme. The menu, carefully guided by Jim Bremer's wife and Jim B. along with Irwin F. and Paul G. will be corn beef and cabbage along with soda bread and salad with the appropriate accessories including a "green" (now isn't that "politically correct") pistachio ice cream for desert.

Attention Aircraft Builders

AIRCRAFT UNDER CONSTRUCTION/RESTORATION

In recent discussions, the Board of Directors realized we don't know how many homebuilders there are in the area, or who they are. We set about creating a list of the builders we know of, to build a resource for helping one another and networking. For example, if someone has a problem with some aspect of building a particular model of RV, the list could help him find someone who has experience with that aircraft. Another purpose for the list could be to contact homebuilders who are not Chapter members to encourage them to attend meetings and join the Chapter. Another purpose for the list could be as a resource to invite homebuilders to occasionally participate as panel members for a program for a regular meeting of the whole membership, to discuss aspects of homebuilding that would be of general interest.

To make this resource successful, we need your help. If you know a phone number or email address or other names, please send an email or give a call to Kathleen Evans; phone: 396-2422 or Herb Zuidema; phone 275 5103
