### **EAA Chapter Board Meeting**

**The Meeting** was called to order at 7:02 PM by Pres. Jim Bremer;; Officers present; Vice Pres. Dick Wilkinson; Treasurer, Paul Gilman; Secretary, Herb Zuidema. Directors present: Barbara Crooker, Jack Limmer, Dave Kirkman, Julia Ostendorf and Wayne Pero.

**Minutes of the last meeting:** Motion by Dick W. and Second by Wayne P. that the Minutes be approved. Motion passed.

**Treasurer's report:** Paul G. presented the Financial Report as of this date. Motion by Dick W. and second by Dave K. that the current month's report be accepted. Motion passed.

### **Old Business:**

**EAA Chapter 157 Flight Training Annual Scholarship:** It is that time of year which our Chapter offers a Flight Training Scholarship (\$2000) to a qualifying person. **Application** is available on the Chapters web site ([www.eaa157.org](http://www.eaa157.org)) and it is **herein attached**. Thanks to the Steve Wallace family, we are able to double the amount of the Scholarship again this year.

**Nominating Committee:** About this time of the calendar year, as well, we are required by Chapter By-Laws to choose a **Nominating Committee** for seeking Candidates who wish to serve as Officers and Directors on our EAA Chapter 157 Board. It was suggested that the **Nominating Committee (three persons)** be made up of persons not currently serving on the Board. Paul G. and Dave K. (current Board Members) agreed to find those three people to perform that service. Those three persons serving must be members of EAA Chapter 157 and preferably a National EAA Member as well. Candidates for Officer and Director must be members of the National EAA and our EAA Chapter 157.

**Will you step up and serve helping to promote aviation in our community when Paul G. or Dave K. ask for your help?** Paul Gilman 530 356 2927, [pbgilma@shasta.com](mailto:pbgilma@shasta.com) Dave Kirkman 530 356 2240, [pckpic@gringodave.com](mailto:pckpic@gringodave.com)

## New Business:

**Chimney Repair:** Thanks to Pres. Jim B., Wayne P. and Dave K. and others for the repair of our wood stove chimney. It's now ready for use for our November Dinner Meeting (should we need it). Fixing the chimney has been far from our Chapter priorities during the summer with 110 degree weather and forest fires raging in Redding and surrounding areas.

**Chapter Dinner Meeting will be November 20, 2018** Dinner this month will be prepared by Pres. Jim Bremer and Vice Pres. Wilkinson. Menu will be our Annual Thanksgiving Turkey dinner plus all the appropriate supporting items including salad, pumpkin pie, ice cream for dessert. With this fine pair of Outstanding Chefs we will have a wonderful annual feast. *If anyone has a special dessert they wish to bring, it will be greatly appreciated. Remember! Veterans will be honored with a free dinner. Invite one to come with you.*

**November Dinner Meeting Program: Our Program Chairman reports:** This month's Program will be various interesting aviation videos some of which you may have never seen.

**Note:** *On the last page of this Newsletter you will find a sign up list for volunteering to prepare at least one (more if you choose) Chapter dinner during the year of 2018. Will you help? Thrill us with a menu from your store house of par excellence cooking. Call Dick W. (246 9131) let him know which month you can do it. Thank you.*

## **Aircraft Builders**

### AIRCRAFT UNDER CONSTRUCTION/RESTORATION

In recent discussions, the Board of Directors realized we don't know how many homebuilders there are in the area, or who they are. We set about creating a list of the builders we know of, to build a resource for helping one another and networking. For example, if someone has a problem with some aspect of building a particular model of RV, the list could help him find someone who has experience with that aircraft. Another purpose for the list could be to contact homebuilders who are not Chapter members to encourage them to attend meetings and join the Chapter. Another purpose for the list could be as a resource to invite homebuilders to occasionally participate as panel members for a program for a regular meeting of the whole membership, to discuss aspects of homebuilding that would be of general interest.

To make this resource successful, we need your help. Attached is a start of a list of homebuilders who fly out of either Benton Field or Redding Muni. **As you will see, we don't have a complete list of mail and/or phone numbers and there may be other homebuilders that should be on the list. If you know a phone number, email address or other names, please send an email to Herb Zuidema herb@eaa157. Or 530 275 5103**

### **Kulula is a low-cost South-African airline**

**On a Kulula flight**, (there is no assigned seating, you just sit where you want) passengers were apparently having a hard time choosing, when a flight attendant announced,

"People, people, we're not picking out furniture here, find a seat and get in it!"

---o0o---

**On another flight** with a very "senior" flight attendant crew, the pilot said,

"Ladies and gentlemen, we've reached cruising altitude and will be turning down the cabin lights. This is for your comfort and to enhance the appearance of your flight attendants."

**On landing**, the stewardess said,

"Please be sure to take all of your belongings. If you're going to leave anything, please make sure it's something we'd like to have."

**"There may be 50 ways** to leave your lover, but there are only 4 ways out of this airplane."

---o0o---

**"Thank you for flying Kulula**. We hope you enjoyed giving us the business as much as we enjoyed taking you for a ride."
